Glossary

- Tab List

- The Tab List is the navigation for the web system. Users can click on the different tabs on this list to navigate to specified screen.

- Checkbox

- Click on this box to either tick or untick the checkbox.

- Save Icon

- Click on this icon or the button that says Save to submit any changes made that needs to be saved.

- Required Fields (Red Star)

- Fields with a “red star” indicates that it is a required/compulsory field. Please ensure that this is completed adequately.

- Dropdown

- Click on the dropdown to view and select a list.

- Search Box

- Click on this box to enter a value which would filter the results based on the text entered.

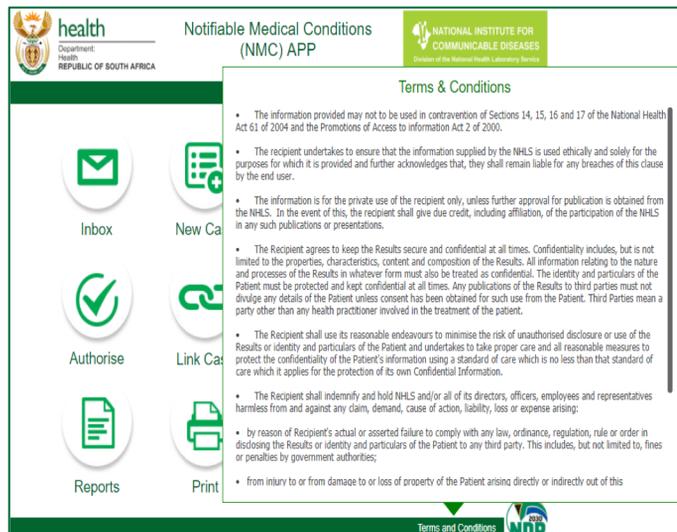

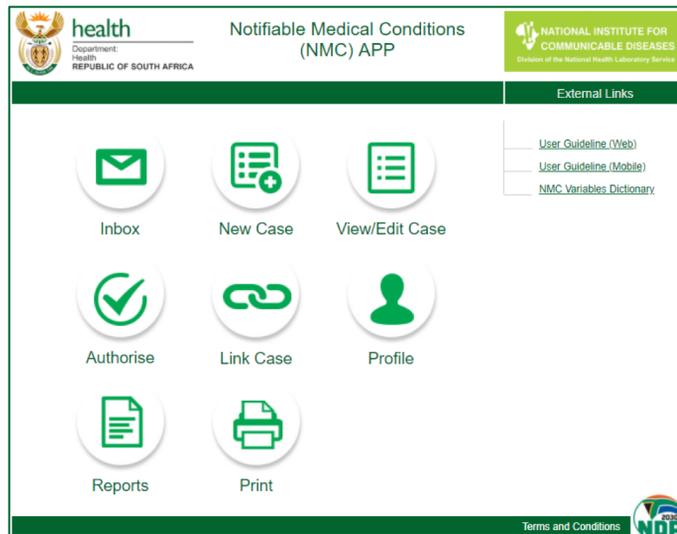

- Information Icon

- Hover mouse over the icon for more detail regarding the specific field

Accessing NMC Surveillance Web

1. To open the web system of the NMC Surveillance system
 - a. Navigate to the following address as per the images below
<https://mstrweb.nicd.ac.za/MicroStrategy/asp/Main.aspx?Server=NICDSANDMSTRI01&Project=NMC&Port=0&evt=2048001&src=Main.aspx.2048001&documentID=8792FA5D45C28599C638BDBA96662A47¤tViewMedia=1&visMode=0>
 - b. Provide the user name and password, then click on the Login button
 - c. Click on any of the Icons OR click on Inbox
2. To view Terms & Conditions
 - a. Click on the Terms & Conditions button at the right bottom of the screen. This will then pop-up a screen containing the terms and conditions.
 - b. Read the Terms & Conditions and click anywhere off the pop-up to close the pop-up

Inbox

1. Accessing User Inbox

- Navigate to Inbox by clicking on the Inbox Icon on the Home Screen or the Inbox Tab in the Tab List.
- On the Inbox screen scroll through the list of messages available in the left hand side.
 - Current tab – shows cases that are not older than 15 days. It excludes confirmed and discarded cases.
 - Archive tab – shows cases older than 15 days. It includes confirmed and discarded cases.
- Click on the messages to open the required message.
- Click on the Mark as Read button to acknowledge that you have read the message, after which you should click on Yes.
- If the message relates to a Case, it will display a summary of the case below the message.
- Click on "View Details" to view more information relevant to that case.

2. Acknowledging a message

- Should a message require acknowledgement, a button named "Acknowledge" will appear in the top right of the message.
- Click on the "Acknowledge" button to acknowledge the message.

The screenshot shows the 'Inbox' tab selected. The list contains three messages:

- 180328 | Acute rheuma...
Life Midmed Hospital...
test pregnant
- 180329 | Botulism...
Narcosevo Hospital...
99.99
- 180328 | Acute rheuma...
Lanseria Clinic...
Phone Test

The screenshot shows the details of a message from Tlaisego Ramalepe. The message content is: "Thank you for notifying a case of Acute rheumatic fever. Your submission has been received for processing. Case no. 180329_0068968".

Below the message is the 'NMC Case Summary' table:

NMC Case Summary		View Details	
NMC diagnosed	Acute rheumatic fever	Notification date	29/03/2018
Internal case no.	0068968	Patient name	test pregnant
Facility	Life Midmed Hospital	Patient status	Deceased
Diagnosis date	07/03/2018	Case classification	Clinical notification

The screenshot shows the same message details as the previous screenshot, but with a 'Notification' dialog box overlaid. The dialog box asks: "Do you want to submit your changes?" with 'Yes' and 'No' buttons.

The screenshot shows the same message details as the previous screenshot, but with the 'Mark as Read' button highlighted in the top right corner of the message area.

Inbox - View Details

1. Viewing a Case

- a. When navigating to view a case selected from the Inbox section, it opens that selected case and starts off by showing a summary of the case on the left hand side and a tab section with five tabs. Namely Facility; Patient; Condition/Travel History; Vaccination History/Specimen and Lab
- b. Click on any tab to navigate to it and view the relevant information.
- c. Lab Results:
 - i. Lab Results will be blank should no Lab Results be available or linked to the selected case.
 - ii. Should Lab Results be available, a list of the different results will appear.
 - iii. Click on any of the results in the list for more information to appear in a pop-up screen.
 - iv. To close the pop-up screen click anywhere other than on the pop-up screen.

New Case

1. Logging a New Clinical Case

- Navigate to New Case by clicking on the New Case Icon or the New Case Tab in the Tab List. This will then open a tab section with four tabs. Namely Facility; Patient; Condition/Travel History and Vaccination History/Specimen Details.
- Enter all relevant information.
- Hover over  for more detail regarding that field.
- To find an existing case, click on Search for Existing Case on the left side and a list of cases will display.
- Fields with a “red star” indicates that it is a required/compulsory field.
 - Please ensure that this is completed adequately.
- To move to the next tab, click on the next tab.
- To move to a previous tab, click on the previous tab.
- Repeat this until the last tab (i.e. Vaccination History/Specimen Details) is completed.
- Click on the Save button, after which you should click on Yes.
 - Notice the Save button is only available in Vaccination History/Specimen Details and should only be clicked once all compulsory information has been completed.

Edit Case

1. Editing a Case

- a. When viewing a case as per the View Case section above, you can click on Edit Case in the Tab List should you have sufficient rights to edit the case. This will navigate you to the Edit Case tab.
- b. When navigating to Edit case, it starts off by showing a summary of the case on the left hand side and a tab section with five tabs. Namely:
 - i. Facility;
 - ii. Patient;
 - iii. Condition/Travel History;
 - iv. Vaccination History/Specimen;
 - v. Lab(not editable).
- c. Click on any editable field to edit the relevant information.
- d. Click on the save icon next to the NMC Case Summary (in the left top) OR on the Save button in the bottom right, after which you should click on Yes.

Update Case Classification

1. Updating the Case Classification

- a. When viewing a case as per the View Case section above, you can click on Edit Case in the Tab List should you have sufficient rights to edit the case. This will navigate you to the Edit Case tab.
- b. When navigating to Edit case, it starts off by showing a summary of the case on the left hand side and a tab section with five tabs. Namely:
 - i. Facility;
 - ii. Patient;
 - iii. Condition/Travel History;
 - iv. Vaccination History/Specimen;
 - v. Lab (not editable).
- c. On the left hand side in the case summary click on the 'New case classification' dropdown.
- d. Select a new case classification.
- e. Click on the save icon next to the NMC Case Summary (in the left top) OR on the Save button in the bottom right, after which you should click on Yes.

Profile – Unlink Facilities

1. Unlinking a facility or facilities from a user profile:
 - a. On the Profile tab, any facilities currently linked to the User will appear in the right hand section of the screen, with it being blank should none be linked.
 - b. Untick any checkboxes of linked facilities that you would like to remove.
 - c. Click on the Save button, after which you should click on Yes.

The screenshot shows the 'Profile' tab of the NMC Surveillance system. The 'Linked facilities' section on the right contains a list of 17 facilities, each with a checked checkbox, indicating they are currently linked to the user profile. The facilities listed are: 1 Mil Hospital Laboratory, Botokwa Health Centre, Charles Johnson Memorial District Hospital, Dzerani Clinic, Humansdorp Hospital, Lambani Clinic, Life Cosmos Hospital, Life Midmed Hospital, Manxhela Clinic, Mankweng Hospital, Masi Clinic, Mukula Clinic, Persie Clinic, Siloam Hospital, Tembisa Hospital, Tshlidzini Hospital, and Tzaneen Hospital - Van Velden.

This screenshot is identical to the previous one, showing the 'Profile' tab with all 17 facilities checked in the 'Linked facilities' section.

The screenshot shows the 'Profile' tab with a 'Notification' dialog box overlaid in the center. The dialog box contains the text 'Do you want to submit your changes?' and has 'Yes' and 'No' buttons. The 'Linked facilities' section on the right remains visible with all checkboxes selected.

This screenshot is identical to the previous one, showing the 'Profile' tab with all 17 facilities checked in the 'Linked facilities' section.

1. To print a case:

- a. Navigate and click on the Print Icon on the Home/Landing page.
- b. Search or select a case that requires printing from the list that pops up.
- c. Click "View" displayed on the right side of the case that's selected. This will automatically export the case to PDF to be printed.
