

Application to attend NICD training courses: 2023

This form must be filled in electronically and submitted by all applicants, regardless of university/institute affiliation. When applicable, note that both the immediate registrar supervisor and the HOD of the university department to which you belong need to sign approval (below). This is to ensure properly-authorised attendance.

Programme requested (see schedule):

Core 3-week Course: ☐ 02 - 20 October 2023

Intensive Course: Parasitology ☐ 24 - 26 October 2023

Virology ☐ 27 - 31 October 2023

Mycology ☐ 01 - 03 November 2023

Please note intensive courses only offered to candidates who have attended the Core 3-week Course.
